HorseAI Litepaper

Revolutionizing Virtual Horse Racing

Prepared by HorseAI

Introduction

HorseAI is an AI agent designed to revolutionize how players engage with the dynamic world of PhotoFinish.live. Positioned as a knowledgeable guide, strategic companion, and community builder, HorseAI combines advanced AI capabilities with a deep understanding of game mechanics to provide players with the tools and insights they need to succeed.

Vision and Mission

Our vision is to be the go-to educational and strategic resource for players of PhotoFinish.live, fostering an informed, engaged, and thriving community of virtual horse racing enthusiasts.

Mission:

1. Simplify onboarding for new players.
2. Empower players with data-driven insights.
3. Strengthen the ecosystem through enhanced understanding of tokenomics.
4. Foster long-term player engagement.
